FUTURE T...

DISCLAIMER POLICY

Before entering the cryptocurrency market or Forex market, you have to be very careful about your investment. The level of experience and the risk of greed. The most major and principal thing about this is don't invest the money which you can't afford to lose.

There is appreciable disclosure to risk any cryptocurrency, foreign exchange transaction but not limited to grasp creditworthiness, and market elusive that may majorly affect the liquidity or price of any currency pair. Moreover, the imposed nature of the cryptocurrency means that the movement of the market will affect proportionally to your deposited funds. This thing can work for you as well as against you. Among all this, the possibility is that you have to bear a total loss of the initial margin funds, and it will be essential to deposit extra funds to control the position. In case you fail to meet any requirement, your position may be terminated, and you will be fully responsible for any type of loss.

There is always a risk while using an Internet-based trading system, like a failure of software, hardware, and sometimes the internet connection. Tecmac Trade will not be responsible for any such failures or delays via the Internet. Our Tecmac Trades employees are trying their hearts and soul to minimize these types of failures. But you can easily trade it with a mobile phone.

Any type of news, opinions, research, or any other information which is available on the website are provided as general market commentary. Tecmac Trade will not be responsible for any type of loss. Tecmac Trade ensures that the information provided on the website is fully accurate. Any content of this website may be changed at any time without giving any prior notice to anyone.
